Slade Green Primary

Weekly News Brief

9th October 2026

Dear Families,
The weather has certainly begun to turn, as we get further into Autumn, but that hasn't dampened our spirits here at Slade Green. The weather is beginning to become colder and wetter, so please ensure your children are coming into school with coats, jumpers and appropriate clothing; don't be fooled by the sun as we have had several sunny mornings interrupted by the sky opening and rain pouring!

We've had lots of successes this week, and I know the children have enjoyed the opportunities offered to them. Well done to our Year 1 children on their visit to the local library, and our Year 4 children on their visit to the British Museum, who represented the school brilliantly, and all really enjoyed the experience.

As a reminder, our harvest assembly is taking place on Monday - thank you to everyone who has donated to this. There is still time, so please donate what you can by Monday. We will also be holding our Parents' Evenings on Wednesday 4th November and Wednesday 18th November. Appointments will be available to book via Arbor from 4:30pm today. Please note, Year 4 Parents' Evenings with Miss Foskett will take place next week on Tuesday 13th October and Thursday 15th October.

Finally, thank you to all the parents who have supported the school this week, whether that was by attending the Year 1 Phonics Workshop on Thursday, making donations to our Harvest Festival, or supporting on the school trips.

Thank you, as ever, for all your continued support - HSG Staff

This Week's Top Attendance:

Curie	99.4%
Goodall	98.2%
Attenborough	98.05%

Stars of the Week

Goodall Josiah	Curie London

Year 6 Residential Parents Meeting – Friday 16th October via TEAMs at 4:30pm
The meeting will last approximately 30 minutes. If you are unable to attend, the slides will be shared after the meeting. The link to join the meeting will be shared on the day.

At Haberdashers Trust South it is important for us to understand the sporting experience of our students. This will allow us to alter planning of curriculum content as well as the extracurricular opportunities for our students. As a result, we hope that you would be happy to complete the below form so we can begin to understand the range of clubs and activities our students are doing outside of school.
Sporting Experience Form – Fill out form
