Haberdashers' Slade Green Primary

Weekly News Brief

16th October 2026

Dear Families,
It hardly seems possible that we have already reached the end of our first term together! It has been a wonderful start to the year, filled with positivity, hard work and many achievements across the school. We were delighted to finish the term today with our attendance celebration party, recognising the fantastic commitment our children have shown to being in school every day and making the most of their learning.
A huge thank you to all of our families who donated to our Harvest Festival collection.

Your generosity and kindness were truly appreciated. We were delighted to support Slade Green Foodbank, who were extremely grateful for the many donations received. Thank you for helping us demonstrate our school values and support our local community.
Although it is time for a well-earned break, there are still plenty of opportunities for children to continue their learning over the holidays. Children are encouraged to take part in their Term 2 Home Learning Projects, which can be found here:
Slade Green Primary - Home Learning.

They can also enjoy: Taking part in TTRS battles, continuing their Reading Adventure, completing activities on Mathletics and entering our Black History Month Competition.

We look forward to welcoming all children back to school on Tuesday 3rd November. Until then, we wish all of our pupils and families a happy, restful and enjoyable break.

Thank you, as ever, for all your continued support - HSG Staff

This Week's Top Attendance:

Goodall	99.1%
Attenborough	99.02%
Farah	98.5%

Stars of the Week

Farah

Who should I contact?

If you unsure of who to contact or need further information, details can be found here.

Black History Month Competition

This year the theme for black history month is "Honouring Our Communities".

The focus this year is recognising everyday individuals, volunteers, teachers, nurses, carers, and local leaders whose routine contributions sustain and shape Black life and British society.

We would like you to take some time to think about someone you know or have heard about who has contributed to our community, either within school or within our local area. Think about all those people who help us.

We would like you to create a poster or fact file to show others the impact they have so that it can be celebrated.

Please bring your entries into your class teacher. Good luck!
